

ON A FIRST NAME BASIS

My name is Patrick Davidson, and I wanted to take a moment to introduce myself to the citizens of Elizabeth. I am honored to be selected to serve this community in the role of Town Administrator. As I get more acquainted with the community, I welcome the opportunity to meet with you or your organization to address issues that concern you. Please feel free to contact me by telephone or email at the Town Hall. I hope you have a great start to a New Year.

Welcome!

The 2021 Town of Elizabeth annual **Christmas Lights Contest Winners** are:

Residential –	Businesses -
146 E. Grant Street	Catalina’s Dinner
405 Liberty St.	Antelopes Alpacas and Fiber Arts Center
407 Liberty St.	The Nest at the 1897 House

Congratulations to all of our winners! **Thank you** to everyone for your beautiful decorations. We were told it was hard to choose just a few winners with all the excellent decorations displayed.

During the week of December 29, 2021, volunteers and staff had the pleasure of creating gift bags for seniors. Small gifts that included best wishes for the holiday season were delivered to several seniors in the area. We want to give special thanks to the following for their kindness and generosity: Citizens of Elizabeth, Elbert and Kiowa, Town of Elizabeth, Elizabeth Area Chamber of Commerce, Connections for Families and Bill Mock.

Paving Project Updates: ALL NEWLY PAVED STREETS

The majority of the paving project for all four streets has been completed. There are however smaller items that still need to be addressed and work will continue to bring these items into completion. Public Works and Native Suns will be performing a walk-through punch-list of items to be addressed the week of December 20th. Once the list is compiled the work will begin after the Holidays during the week of January 3, 2022. These items may take several weeks to complete, and we ask that you are patient during completion. If you have concerns or questions, please feel free to contact Mike DeVol directly to have them addressed. Public Works will be installing signage, such as speed limit, parking, no parking, Stop, and deer crossing signs to name a few. The work will continue for the Mail Kiosks locations as weather allows. Paving to complete parking areas will likely take place in March or April due to temperature lows and asphalt availability. Road base gravel is being installed in these areas temporarily for ease of access and driving. Mail Kiosks will likely not be functioning until coordination with the USPS in February/March is completed. Thank you for your cooperation.

We are still looking for people that would like to serve on one of the advisory boards!
